Mr. Harold Weisberg
Coq d'Or Farm
Hyattstown, Maryland 20734

Dear Mr. Weisberg:

Your very long and persuasive letter of June 13th arrived as I was departing for vacation. I regret that you have not been answered, but, in my absence my associates read your letter carefully and made the determination that we could not use any part of WHITEWASH at this time.

We are and have been interested in your book and wish you the greatest success with it. Thank you so much for your letter.

Sincerely,

Bill Emerson
